Match schedule open to the public

3 Gun/Bowling Pin/ Steel Challenge

3 Gun is exactly that, it combines the use of Pistol, Shotgun, and Rifle in various stages over the courses of fire. Stages are typically made up of paper, steel, and clay targets in various positions with different barriers and obstacles that require you to maneuver through the course.

Pistols are typically semi-auto or revolver, Shotguns semi-auto or pump, and rifles semi-auto in 5.56 or 7.62 caliber. Depending on the configuration of your firearms you will compete in one of several divisions.

The person with the combination of fastest time and best accuracy wins. If you want to do it all this is a great event which is available to all skill levels.

Bowling Pin matches are double elimination blind seed head to head, with center fire pistol, rim fire pistol, and rim fire rifle.

Center fire divisions shoot full size bowling pins, and rim fire divisions shoot bowling pin heads.

This is an incredibly fun event for persons of all skill levels. It's a very spectator friendly sport suited for all age levels.

There are multiple divisions based on caliber that keeps the playing field level, and you are allowed to enter as many divisions as you like. If you have never shot bowling pins before you quickly realize they don't always fall as expected which adds to the fun. See website for side matches.

Steel Challenge, if you are looking for a way to increase your proficiency with a pistol, rimfire rifle, or pistol caliber carbine then steel challenge is your ticket.

Steel challenge is made up of 8 different stages; each stage has 5 steel plates that vary in size from 10in, 12in, or 18X24in. On practice nights we typically shoot 3 stages, and full match dates are typically 6 stages. You shoot each stage 5 times or 5 strings for time with the slowest of the 5 strings being thrown out. Your score is the time of all stages.

Steel Challenge is all about speed and accuracy, it's a great entry level sport for all ages, and skill sets. If you're looking for a fun time with like-minded shooters this is your sport.
